Des échantillons sont à votre disposition sur simple demande. L'impression sur papier ne peut pas être comparée à une pigmentation sur ciment. Nous ne pouvons pas garantir l'exacte fidélité des couleurs présentées car elles dépendent des matières premières entrant dans la composition de produits, des dosages utilisés.

Samples are available on request. Printing on paper cannot be compared with pigmentation on cement. We cannot guarantee the exact match of the colours shown since they depend: - on the raw materials used in the composition of our range of products, - on the ratios used.

Muster stehen Ihnen auf einfache Anfrage zur Verfügung. Der Druck auf Papier kann nicht mit einer Pigmentierung auf Zement verglichen werden. Für die Farbtreue der präsentierten Farben können wir nicht garantieren, denn sie hängen von folgenden Faktoren ab: - Rohstoffe der Zusammensetzung unserer Produktreihe - verwendete Dosierungen.

Tenemos muestras a su disposición si nos las solicitan. La impresión sobre papel no se puede comparar con la pigmentación del cemento. No podemos garantizar la exacta fidelidad de los colores impresos porque depende de las materias primas que están en la composición de nuestra gama de productos y de la dosificación utilizada.
